THEOLOGICAL RESEARCH Th.D.

This course is not limited to number of pages or required reference books. Each essay is to be expressed in your own words after enough research has been done to thoroughly rebut the arguments set forth. The arguments are to be listed separately. Write the argument at the beginning of each page, then follow with your rebuttal of the argument. Do not download material from the computer and turn it in as your own work. This is to be your own work.

The following are modern day arguments which Apostolics oppose. Show your response to each of the arguments.
